

# **Alumni Association Report (2017-2022)**

## Alumni Association Report (2017-18)

During the session 2017-18, the feedback from the Alumni of the college was taken by distributing the questionnaire structured feedback forms through offline (during the meetings of members of Alumni Association) and by sharing feedback forms with them in online mode. After collecting, it was brought to IQAC for further analysis. Alumni feedback on various aspects such as which information did they find in the prospectus while taking admission in the college, choice of their subjects, and treatment by the administrative staff of college with them, healthcare facilities, attitude of faculty to extra- curricular activities, their opinion about the qualities a teacher should possess, were the labs fully equipped and properly maintained, status of library, was it easy to get books from library, about getting computer education from the college, about taking part in the extra curricular activities, the education they completed from the college helped in their future, their views regarding college after leaving it and their suggestions to improve quality and standard of the college. To the questions asked in the questionnaire such as updation of the syllabus, way of delivery of course content, was the course curriculum as per their expectations, were they stimulated by the course curriculum, the education they got from the college helped them to pursue post- graduation/ Research in the particular topic, about learning new skills along with their education, relevance of their degrees to their present jobs, quality of education in the college, benefits of activities organized in the college for overall development and about any suggestions to improve curriculum development procedure etc.

**Action Taken Report** – Through these feedback forms, the Alumni gave their valuable suggestions about the college and also about the issues faced by them during their student life in the college. As per their suggestion, the college decided to introduce more computer courses. The college also encouraged the students to participate in extra-curricular activities so that they may become all- rounders. The college also organized alumni meets during the session to interact with the alumni and to make improvements according to their suggestions.

## **Alumni Association Report (2019-20)**

During the session 2019-20, feedback from the Alumni of the college was taken by distributing the questionnaire structured online feedback forms. After collecting, it was brought to IQAC for further analysis and to take actions. Alumni feedback on various aspects such as which information did they find in the prospectus while taking admission in the college, choice of their subjects, treatment by the administrative staff of college with them, healthcare facilities, attitude of faculty to extra- curricular activities, their opinion about the qualities a teacher should possess, were the labs fully equipped and properly maintained, status of library, was it easy to get books from library, about getting computer education from the college, about taking part in the extra-curricular activities, the education they completed from the college helped in their future, their views regarding college after leaving it and their suggestions to improve quality and standard of the college. To the questions asked in the questionnaire such as updation of the syllabus, way of delivery of course content, was the course curriculum as per their expectations, were they stimulated by the course curriculum, the education they got from the college helped them to pursue post- graduation/ Research in the particular topic, about learning new skills along with their education, relevance of their degrees to their present jobs, quality of education in the college, benefits of activities organized in the college for overall development and about any suggestions to improve curriculum development procedure etc.

**Action Taken Report** – Through these feedback forms, the Alumni gave their valuable suggestions about the college and also about the issues faced by them during their student life in the college. As per their suggestion, the college decided to introduce more computer courses. The college also encouraged the students to participate in extra-curricular activities so that they may become all- rounders. The college also organized alumni meets during the session to interact with the alumni and to make improvements according to their suggestions. During the meeting, the alumni suggested to upgrade the college website with various required additions in information, so the same was done in this regard. The college alumni also suggested that the students should be made aware of various job opportunities in the surrounding areas, so the career guidance and placement cell guided various students to attend job fest and interviews.

## Alumni Association Report (2020-21)

During the session 2020-21, feedback from the Alumni of the college was taken by distributing the questionnaire structured online feedback forms. After collecting, it was brought to IQAC for further analysis and to take actions.

Alumni feedback on various aspects such as which information did they find in the prospectus while taking admission in the college, choice of their subjects, treatment by the administrative staff of college with them, healthcare facilities, attitude of faculty to extra- curricular activities, their opinion about the qualities a teacher should possess, were the labs fully equipped and properly maintained, status of library, was it easy to get books from library, about getting computer education from the college, about taking part in the extra-curricular activities, the education they completed from the college helped in their future, their views regarding college after leaving it and their suggestions to improve quality and standard of the college. To the questions asked in the questionnaire such as updation of the syllabus, way of delivery of course content, was the course curriculum as per their expectations, were they stimulated by the course curriculum, the education they got from the college helped them to pursue post-graduation/ Research in the particular topic, about learning new skills alongwith their education, relevance of their degrees to their present jobs, quality of education in the college, benefits of activities organized in the college for overall development and about any suggestions to improve curriculum development procedure etc.

**Action Taken Report** – Through these feedback forms, the Alumni gave their valuable suggestions about the college and also about the issues faced by them during their student life in the college. As per their suggestion, the college decided to introduce more computer courses. The college also encouraged the students to participate in extra-curricular activities so that they may become all- rounders. The college also organized alumni meets during the session to interact with the alumni and to make improvements, according to their suggestions. During the meeting, the alumni suggested to construct a ramp and a washroom for especially abled students, so the same was done by the college.
